Theatresports™ 2010

Celebrating 25 years of Theatresports in Melbourne

Impro Melbourne's popular flagship show **Theatresports** is steaming into town for its 25th season!

Theatresports' timeless appeal of competitive sports and comedy has become one of the most recognisable forms of theatre in Australia. From humble beginnings, Theatresports is now a renowned hunting ground of new talent.

Countless Australian actors and comics, including **Julia Zemiro** (RockWiz), **Russell Fletcher** (Whose Line Is It Anyway?) and **Colin Lane** (Lano & Woodley), have all starred onstage at Theatresports. This year, old meets new as a handful of Theatresports veterans take to the stage with improvisers barely as old as the show.

Today Theatresports is truly globalised. Played by thousands of improvisers in 67 theatre companies, throughout 21 countries across five continents.

Experience the fast and furious fun of Theatresports - Melbourne style. Grab a latte, don your team's colours and cheer like it was Friday Night Football.

Returning to the iconic Theatre Works stage in the heart of St Kilda, the improvisers never miss a beat in the race to become the Theatresports Champions of 2010.

Theatresports at Theatre Works. A Melbourne institution.
