## Celebrity Theatresports™

Angus Sampson with Impro Melbourne's Jason Geary

**The annual challenge is on. Impro Melbourne's gungho players have thrown down the gauntlet to drafted celebrity guests: Go funny, or go home.**

See TV, radio and sporting personalities as you've never seen them before - and as they've never seen themselves. Every scene is made up on the spot, sparked by audience suggestion, powered by serious impro training and performance-enhancing chocolate bars.

The game will be full of thrills, sportsmanship and surprises. Cheer as your team reaches dizzying comic heights one minute, then gasp as they cop a penalty the next. The stars are coming out to play, but there will be no excuses, just a riotous fight to the end.

The teams are out to score maximum points before the whistle blows. There will be spills, laughs, and there might even be oranges at halftime. Join in and find out who will win the season's Best and Fairest.

It's fast. It's furious. It's unpredictable. And it's funny.
