Late Night Impro

It's back! Same late night time slot, all new late night laughs to round off your Festival evening.

Now in its 14th year, Late Night Impro is a Melbourne tradition and this year promises a mix of danger and high-energy as we introduce some hilarious new games as well as all your old favourites.

Walking the fine line between laughter and spontaneous combustion is our seasoned cast, taking it in their stride with style, charm and wit.

Impro Melbourne's finest are joined by special guests from interstate and overseas to help bring you the unscripted laughter until the clock strikes midnight.

This year the season is directed by Comedy Festival habitual, Liam Amor. Amor brings over 15 years of experience in the Australian comedy industry to the stage. His credits include *Hawke*, *The Hallowmen*, *Thank God You're Here* and *The Micallef Program*.

Impro Melbourne. A local institution.

"...a refreshing opportunity to laugh out loud and admire the power of quick wits..."
