## Theatresports™ 2007

**The International Hit is Back!**

**Theatresports™** is the worldwide phenomenon that audiences flock to. Experience the thrill of both theatre and sport as houses compete for a chance to play in the Grand Final. Actors create scenes out of audience suggestions with the skill and daring of champions. This is theatrical improvisation at its best.

If you like *“Thank God You’re Here”* and *“Whose Line Is It Anyway”* then come and see the show that started it all.

This stunning season includes quarter and semi finals and a Halloween classic. Australia’s best improvisers give it their all. Players this season include local celebrities Simon Dowling, Russell Fletcher & Patti Stiles. Including special guest appearance from international star, Derek Flores (The 3 Canadians).

Hilarious, unpredictable, fiercely contested. Who will take home the **Theatresports™ Cup**? Choose a house and back them all the way.

*“Highly entertaining, often hilarious, sometimes breathtakingly quick-witted and inventive. A standout.”* **Bill Perrett – The Age**
